Citizens who wish to speak should sign up prior the meeting on the sign-in sheet provided near the entry. Citizens Comments will be limited to three minutes each. An additional two minutes may be granted by the Mayor, or upon consensus of the council. When called upon, the individual should come to the podium, state his or her name and address, and identify any organization he or she represents. Remarks should be addressed to the entire council and not specific members. Citizens may wish to register their support or opposition to an agenda item without speaking and may do so on the public sign in sheet near the entry. Their comment of support or opposition will be included in the formal minutes. In compliance with the Texas Open Meetings Act, the Town Council may not deliberate or vote on any matter not on the agenda for that meeting. The Town Council may only offer the following responses to Citizen's Comments: the answer to a question on existing policy or fact which requires no deliberation or a request to appropriate staff to provide additional information on matters of existing policy or general interest. Presentations of repetitious information are not appropriate. Citizens may present their information in written form. In the interest of time, if there is a group of individuals representing a single item, the group is encouraged to select a spokesperson.
